

# WHO IS PROPHET BLAINE?

**Prophet Blaine Irving** is a prophetic voice, visionary, and trailblazer—a man deeply rooted in the Word of God and called as an end-time prophet to this generation. Born in Pretoria, South Africa, on August 22, 1991, his life journey has been marked by profound encounters with God, resilience through unimaginable trials, and a relentless pursuit of purpose.

From early childhood, Blaine faced immense physical challenges, undergoing numerous surgeries for hip dysplasia and surviving a life-threatening burst appendix at just four years old. In his formative years, he experienced heartbreaking losses, losing his father, mother, and grandmother by age twelve. Yet, through these tragedies, God's hand was evident, shaping him into a vessel of healing, creativity, and prophetic authority.

At age twelve, Blaine wrote and directed his first stage play, igniting a passion for storytelling and production. In 2005, he immigrated to the United States, where he began high school and tasted popularity for the first time, after years of feeling unseen.

After graduating from Oakland Early College in 2012, Blaine returned to South Africa for a season of healing and soul-searching, interning as a wedding coordinator and helping orchestrate over 150 weddings across Southern Africa. Later that year, he returned to the USA to pursue his dreams, only to encounter one of his greatest wilderness seasons. In 2013, after business disappointments, he found himself homeless, sleeping on a friend's couch, and eventually living hotel to hotel across Metro Detroit, relying fully on God for his next meal and place to sleep.

## A PROPHETIC CALLING EMERGES

In June 2013, under the covering of Dr. Rhoda Byrd, Blaine was ordained as a prophet, marking the official beginning of his ministry. Despite hardship, he pressed forward, and in 2015 launched an online Christian radio station that reached over 600,000 people in 192 countries worldwide. His spiritual mother, Dr. Byrd, passed away unexpectedly in 2016, leaving him to navigate grief and ministry alone. Yet, just 59 days later, Prophet Blaine launched Worship Radio Detroit, which continues today, broadcasting prophetic messages to nations.

## MINISTRY & MEDIA INNOVATOR

Prophet Blaine's ministry is often unorthodox by traditional standards. He speaks boldly the words others are afraid to declare, with prophetic insight that includes direction, affirmation, and correction. His words carry weight and have the potential, once acted upon, to shift the destinies of individuals, businesses, governments, and entire nations. His prophetic voice is often compared to that of the late Prophet Kim Clement, and many believe he carries Kim's mantle to this generation.

Blaine is an award-winning producer with over **5,000 hours of produced content**, pioneering 4K podcasting and television programming for the Kingdom. Under his visionary leadership, the podcast *My Sisters Circle* won the Detroit Choice Award for Favorite Podcast, and his publishing company, **YAH-Scribe Publishing**, helps authors release their God-given messages to the world.

## NAVIGATING ADVERSITY TO GLOBAL IMPACT

In 2017, Blaine married **Apostle Haydee Irving**, his co-laborer in ministry, and together they share a beautiful daughter born in 2018. In 2022, following divine instruction, he founded **Navi Media**, a multifaceted media and technology entity equipping Kingdom creatives with tools to thrive in digital spaces while championing truth, justice, and freedom of speech.

Blaine's prophetic accuracy has touched world leaders, political figures, musicians, and business moguls. He prophesied Donald Trump's presidential victory and continues to speak words of destiny over individuals and nations. His passion for justice extends to prison ministry, bringing hope and prophetic encouragement to inmates seeking redemption.

## A VOICE OF HOPE TO THIS GENERATION

Prophet Blaine believes that prophecy is not merely prediction but an invitation into God's plan to transform lives and create generational legacies. His life exemplifies resilience, creative brilliance, and radical obedience to the call of God. Like the prophets of old, he sees beyond present circumstances and declares Heaven's perspective with fearless faith.

Today, as the founder and leader of **The Prophets House International**, Prophet Blaine's mission remains clear: **to restore, equip, and activate believers to walk boldly in their divine destinies**. Through media, prophecy, teaching, and mentorship, he continues to pioneer, prophesy, and produce, leaving a lasting legacy for the Kingdom of God.

**“I will not be silent. I will speak what the Lord says, even if it costs me. For this is the call of a prophet—to watch, to hear, to declare, and to shift history by His Word.”**
